The Finalists

BREWERS COMMUNITY FOUNDATION

Public Space Award
Recognizes a public space that helps build the community

The ARTery
This art-focused linear park along the former Beerline Railroad Trail unites the Harambee and Riverwest neighborhoods and includes performance stages, a basketball court and a 100-foot dining table.

Holton Bridge Swing Park
After a local group, in a “guerrilla act,” revived an underutilized public space under Holton Street by building a Swing Park, the City of Milwaukee responded by creating a permanent version of the popular park.

HOME GR/OWN’s Ezekiel Gillespie Park
Developed in partnership with Walnut Way Conservation Corp., this multi-use park — the first of the city’s HOME GR/OWN strategy for transforming vacant lots — features native plants, fruit trees and sustainable water systems.

BMO HARRIS

Cornerstone Award
Recognizes an organization for their commitment and effectiveness over time

Express Yourself Milwaukee
Working with youth in residential facilities, treatment shelters, juvenile detention residences and urban schools, ExYo brings healing and transformation through the arts.

Pan-African Community Association
Milwaukee’s premier agency for helping immigrant and refugee families adapt to a new culture and build a new future. PACA helps 1,000 people a year from more than 35 countries become self-sufficient.

Rotary Club of Milwaukee
The Rotary Club of Milwaukee has a long-standing commitment to Milwaukee, playing an active role in the revitalization of some of the city’s most vulnerable neighborhoods and people.

NORTHERN TRUST

Navigator Award
Recognizes an individual for leadership and collaboration

La’Ketta Caldwell, Boys & Girls Club of Greater Milwaukee
Program manager at the Boys & Girls Clubs of Greater Milwaukee, La’Ketta uses her background in theater to help people heal themselves and the community.

Todd Hutchison, Impact Seven
For three decades, Todd has worked to revitalize condemned, unwanted buildings, turning them into quality affordable housing for Milwaukee residents.

Venice Williams, Alice’s Garden
Venice fosters an environment at Alice’s Garden where people not only exchange gardening knowledge, but share their lives.
PNC BANK

Trail Blazer Award
Recognizes an innovative approach to a community problem

Cream City Gardens and Rain Harvesting Project, Guest House of Milwaukee
A rainwater pavilion in the gardens across the street from Guest House enables formerly homeless residents to grow food and learn marketable skills.

Mobile Bike Hub, Layton Boulevard West Neighbors
A fully-stocked, mobile, bike-powered repair shop that stops at parks, schools, and other public places where it fixes brakes, patches tires and replaces broken chains.

Sisters Diversion Project, Benedict Center
The Sisters Diversion Project, working in conjunction with police and prosecutors, offers an alternative to incarceration to stop the cycle of prostitution.

STATE FARM

Building Blocks Award
Recognizes a real estate project that advances the community

University of Wisconsin Milwaukee, Joseph J. Zilber School of Public Health, ZILBER, LTD.
Transformed from a 100-year-old cold storage warehouse in the Pabst Brewery, the Zilber School of Public Health has reinvigorated this historic area and become a trusted community partner in improving health outcomes for Milwaukee.

Veterans Administration Community Resource and Referral Center, Martin Luther King Drive, WANGARD PARTNERS, LLC
A restored historic building on Martin Luther King Jr. Drive, the VA Community Resource and Referral Center provides resources to veterans who are homeless or at risk of homelessness.

WELLS FARGO

People’s Choice Award
The Wells Fargo People’s Choice Award is a brand new interactive award category where the winner is chosen by the public through online voting at milwaukeenns.org. The goal is to increase exposure to the good work of the finalists in the broader community. The three groups who receive the most votes will each receive $1,000!
