LOCAL INITIATIVES SUPPORT CORPORATION

Position Description

POSITION TITLE: Director, Fund Modeling & Design, Strategic Investments
REPORTS TO: Managing Director, Strategic Investments
JOB CLASSIFICATION: Full Time/ Exempt
LOCATION: Washington, DC

The Organization

What We Do
With residents and partners, LISC forges resilient and inclusive communities of opportunity across America – great places to live, work, visit, do business and raise families.

Strategies We Pursue
Equip talent in underinvested communities with the skills and credentials to compete successfully for quality income and wealth opportunities.
Invest in businesses, housing and other community infrastructure to catalyze economic, health, safety and educational mobility for individuals and communities.
Strengthen existing alliances while building new collaborations to increase our impact on the progress of people and places.
Develop leadership and the capacity of partners to advance our work together
Drive local, regional, and national policy and system changes that foster broadly shared prosperity and well-being.

Over the last 40 years, LISC and its affiliates have invested approximately $20 billion in businesses, affordable housing, health, educational mobility, community and recreational facilities, public safety, employment and other projects that help to revitalize and stabilize underinvested communities. Headquartered in New York City, LISC’s reach spans the country from East coast to West coast in 36 markets with offices extending from Buffalo to San Francisco. Visit us at www.lisc.org

ABOUT Strategic Investments
The LISC Strategic Investments team leads the design, development, and deployment of impact investment funds in LISC’s local markets nationwide. Strategic Investments employs an “impact first” investment methodology that optimizes the impact on the communities we care about while achieving sustainable risk-adjusted returns for investors.

The unique power of LISCs local office presence combined with the strength of our national investment expertise is a powerful combination for creating real impact in the communities we serve. This network requires careful coordination between Strategic Investments, the LISC Local
Offices, and other stakeholders within LISC. While many groups within the LISC organization support fund management activities, the Strategic Investments team is ultimately responsible for ensuring a successful track record for LISC’s off balance sheet fund investments.

ABOUT This Role

The Strategic Investments team has been organized into functional expertise groups that lead and support the activities necessary to design, raise, deploy, and manage Impact Funds. Those functional groups are listed below:

1. **Fund Design & Modeling – initial fund concept design and modeling, market testing**
2. **Fund Development – raising money from investors for the fund**
3. **Fund Deployment – creating the investment origination strategy and managing the underwriting and investment process**
4. **Fund Performance & Reporting – managing the performance of existing investments, completing financial & impact reporting, and managing conduit funds**

This role will work within the Fund Modeling & Design function. More specifically this position will focus on the modeling and design elements necessary to create a fund that is both optimizes the impact mission, provides a reasonable level of risk and return to our investors, and creates a level of fund income that will support the sustainable execution of the fund by Strategic Investments.
