## **PART I – INTRODUCTION**

### **OVERVIEW OF NYLOP**

LISC NY has partnered with Mission-Driven Organizations (MDOs) and Faith-Based Organizations (FBOs) to promote community and economic development for many years. MDOs and FBOs often provide much-needed services to their communities. These services include housing, feeding those in need, helping individuals find stable family-sustaining employment, building up businesses to create jobs, providing wrap-around mental health services, and improving community safety to help stabilize neighborhoods.

MDOs and FBOs have several vital resources that contribute to these goals, including:

- ❑ Community Relationships & Leadership
- ❑ Land in High Opportunity Areas
- ❑ Tax-Exempt Status
- ❑ Organizational Time, Volunteers, and Finances & Land

The LISC NY NYLOP focuses on helping MDOs, and FBOs use these resources to develop affordable housing on their vacant or underutilized property. LISC NY issued a Request for Expression of Interest (RFEI) to MDOs and FBOs to participate in the 2023 round of NYLOP. The program was expanded to include localities outside of New York City and to Western New York. NTTCOG was one of the seven groups selected to be members of the 2023 cohort.

LISC NY has engaged Censere Consulting LLC as the development consultant to lead a team of housing development experts, including Goldstein Hall as the legal consultant and ESKW as the architectural consultant, to help these organizations move an idea through the predevelopment process to building affordable housing on their real estate. The NYLOP model calls for these organizations to develop a conceptual plan that will be used as the basis for them to issue a Request for Proposals to select a Developer Partner.

## **BACKGROUND INFORMATION ON NTTCOG**

Background:

NTTCOG, led by Reverend Paul Peart, is situated at 3350 and 3356 Seymour Ave, Bronx, NY, and is part of a larger international organization. Venturing into housing to generate income, the organization owns a substantial property measuring 275 by 100 feet situated at 3350 and 3356 Seymour Avenue. With roots dating back to 1976, they have a rich history of community engagement, partnering with United Way to provide health and life programs. The church has approved the services of Paul A Castrucci Architects for their development plans.

Concept:

The concept plans propose the development of 98 residential units with AIR and approximately 30,000 GSF of church and community space. The site can accommodate 74 residential units as-of-right. To align with the concept plan, the project requires rezoning from C4-2/R5 to R6A/C4-2. This rezoning will increase the FAR for AIRS from 1.95 to 3.9 and raise the maximum base height from 30' to 65' (with qualified ground floor) and the maximum building height from 40' to 85' (8 stories).

There are two proposed towers in this Project, one (3356 Seymour Avenue) of which is located on an existing C4-2 (Equivalent R6) zone. The other one (3350 Seymour Avenue) is located in an R5 zone, adjacent to three family homes.

The design anticipates removing an old building on Lot 74 (3356 Seymour Ave), renovating and expanding the existing sanctuary on Lot 61 (3350 Seymour Ave). Parking is currently provided on the ground floor of Lot 61. In total, there will be 98 new AIRS residential units, and approximately 30,000sf of church and community facilities space. Some of this space will be

designated for the residents. There will be approximately 42 parking spaces reserved for residents.

NTTCOG’s preference is to change the zoning to increase the maximum FAR and thereby increase the number of residential units that can be built. Thus, the group is applying for zoning relief because they are a non-profit organization building affordable housing and community facilities. The rezoning would change the C4-2/R6 to R6A/C4-2 and R5 to R6A, which will allow an increase in FAR for AIRS from 1.95 to 3.9 and an increase in maximum base height from 30’ to 65’ (with qualified ground floor) and maximum building height from 40’ to 85’ (8 stories).

Status:

- ☐ NTTCOG has engaged an attorney to assist with ULURP
- ☐ NTTCOG has engaged an architect to complete the design work and assist with ULURP
- ☐ NTTCOG assumes that the selected Co-Developer will defray the cost of obtaining ULURP approval as a pre-development expense.

**INVITATION FOR PROPOSALS**

The NTTCOG invites qualified firms to submit responses to this RFP to serve as Co-Developer for the Redevelopment of the Site. Interested respondents must submit their responses per the guidelines outlined in this RFP by Monday, March 4, 2024, at 3:00 P.M. EST.

In the Disclosure Certification, the Respondent may also provide relevant facts that show how its organizational structure or management systems limit its knowledge of possible organizational conflicts of interest relating to other divisions or sections of the organization and how that structure or system would avoid or mitigate such organizational conflict.

In the absence of any relevant interests identified in a signed Disclosure Certification, Respondents certify by their signature on this solicitation that the Respondent, to the best of its knowledge and belief and except as otherwise disclosed, does not have an organizational conflict of interest which is defined as a situation in which the nature of work to be performed under this proposed contract and the Respondent's organizational, financial, contractual or other interests may, without some restriction of future activities (1) result in an unfair competitive advantage to the Respondent, or (2) impair the Respondent's objectivity in performing the contract work. Accordingly, the Respondent's signature on this solicitation certifies that to the best of the Respondent's knowledge and belief, no actual or apparent conflict of interest exists regarding the Respondent's possible performance of this procurement.

No award shall be made until the Disclosure Certification and a **Financial or Personal Interest Disclosure Statement, if applicable**, have been evaluated by the NTTCOG. Failure to provide the Disclosure Certification or the **Financial or Personal Interest Disclosure Statement, if applicable**, will be deemed a minor infraction.
