Our mission

To galvanize a 21st century tenant movement working towards housing for all.
To provide tools that make it easier for tenants to know and exercise their rights.

National Projects
Impact Proposition

- Aggregating case data to identify trends and connect with resources.
- Improving individual outcomes through policy change and collective action.
- Coordination with advocates & organizers.
- Tenant-facing tools for self-service and community connection.
Los Angeles Partner

- COVID-19 Emergency Moratoriums begin passing
- Tenants needed to exercise their right to an affirmative eviction defense
CAN'T PAY RENT IN LOS ANGELES?

You're not alone. Millions of Americans won't be able to pay rent because of COVID-19.

Take action by writing a letter to your landlord.

GET STARTED

Who's behind this?

NoRent.org
Los Angeles

Free letter builder and documentation tool for tenants who can’t pay rent due to COVID-19
Can’t pay rent?

You’re not alone. Millions of Americans won’t be able to pay rent because of COVID-19. Use our FREE tool to take action by writing a letter to your landlord.

Made by non-profit justFix.nyc

How it works

We make it easy to notify your landlord by email or by certified mail for free.

8 Minutes
Answer a few questions about yourself and your landlord or management company. It’ll take no more than 8 minutes.

Legal Protections
Our letter cites the most up-to-date legal ordinances that protect tenant rights in your state.

Free Certified Mail
After you’ve reviewed your letter, we send it to your landlord on your behalf by email and by certified mail.
Share your ideas for national projects:
