# Introduction

---

This guide was prepared by the Local Initiatives Support Corporation (LISC) in conjunction with an emergency relief program funded by Uber Eats and Visa that will provide \$10,000 grants to 100 Uber Eats member restaurants in 10 U.S. markets. LISC will administer grant selection and distribution as part of the program.

This guide is designed to provide a list of select resources available to COVID-impacted restaurants located in program-eligible markets: Atlanta, Bay Area, Boston, Chicago, Detroit, Philadelphia, New York City/Greater Newark, Los Angeles, Miami, and Washington DC. The local, regional, and statewide resources described in this guide are focused on helping hard-hit restaurants weather this time of crisis through financial support and technical expertise. Links to external websites are provided where relevant.

**Note:** Resources, including funding, for COVID-impacted restaurants and other small businesses are continuously shifting. By subscribing to alerts and newsletters, you can stay up-to-date on changes to small business grant opportunities and COVID-19 relief programs.

For ongoing LISC updates on grant programs, technical assistance resources, and government services, please visit [LISC's COVID-19 Resource Page](#).

LISC thanks Nisha Mistry of Fulkee for her assistance with the preparation of this guide.
