The Organization

What We Do
With residents and partners, LISC forges resilient and inclusive communities of opportunity across America – great places to live, work, visit, do business and raise families.

Strategies We Pursue
- Equip talent in underinvested communities with the skills and credentials to compete successfully for quality income and wealth opportunities.
- Invest in businesses, housing and other community infrastructure to catalyze economic, health, safety and educational mobility for individuals and communities.
- Strengthen existing alliances while building new collaborations to increase our impact on the progress of people and places.
- Develop leadership and the capacity of partners to advance our work together.
- Drive local, regional, and national policy and system changes that foster broadly shared prosperity and well-being.

LISC is a national non-profit organization that provides financial and technical assistance (TA) to community development organizations and their local partners that are working to improve housing and economic conditions in communities across the country. Over the last 40 years, LISC and its affiliates have invested approximately $22 billion in businesses, affordable housing, health, educational mobility, community and recreational facilities, public safety, employment and other projects that help to revitalize and stabilize underinvested communities. LISC's reach spans the country from East coast to West coast in 37 markets with offices extending from Boston to San Francisco and in 2,400 rural counties across 49 states and Puerto Rico. Position Description
LISC seeks a qualified candidate for the position of Senior Program Officer (SPO) of the Government Investments and Technical Assistance team. The primary role of this position will be to support the delivery of technical assistance to HUD grantees and municipalities through HUD’s Community Compass and Distressed Cities and Persistent Poverty Technical Assistance programs. It will also support the team as it carries out assistance to and collaborates with LISC’s local offices and other national programs on a variety of topics including but not limited to HUD Community Planning and Development (CPD) programs, disaster recovery and resilience, and green/sustainable development. Tasks include hands-on project management on all types of HUD assignments, from direct technical assistance to product and tools development. Meeting facilitation skills and excellent writing skills are critical skills to bring to this position.

Key Responsibilities
At the direction of the Director, the SPO will work closely with a broad spectrum of LISC team members, LISC affiliate staff, consultants, HUD staff and grantees, and municipal staff. The TA will be subject to HUD’s Community Compass and Distressed Cities and Persistent Poverty TA programs. The candidate will play a key role to drive the success of LISC’s government TA, disaster recovery, and resilience programming. The SPO will work across LISC National teams, the Rural LISC team,
local LISC offices, and in collaboration with LISC affiliates, the National Equity Fund (NEF), New Markets Support Company (NMSC), and Immito, LISC’s SBA 7a lender. Essential responsibilities and skillsets include:

- Facilitate meetings and manage projects in a manner that exemplifies active listening and attention to detail.
- Provide direct technical assistance to clients that draws on a strong working knowledge of HUD Community Planning and Development’s programs including but not limited to CDBG; CDBG-DR; CDBG-CV; ESG; HOME; and Rural Capacity Building; Federal Housing Administration; and Public and Indian Housing, including NAHASDA programs and in particular ICDBG; should also draw on working knowledge of Federal Cross-Cutting Requirements.
- Lead and or serve in key roles on LISC TA teams to provide programmatic subject matter expertise on key federal programs within politically charged or otherwise challenging environments.
- Maintain abreast of policy, regulatory, and best practices in HUD TA and disaster recovery.
- Represent LISC at events, convenings, and conferences.
- Maintain strong internal and external relationships, especially with HUD.

**Qualifications**

- Bachelor’s degree or higher from accredited college or university.
- Minimum 7 years experience in community development sector.
- Strong interpersonal skills. Demonstrates thorough understanding of program requirements while also demonstrating an understanding of clients’ challenges and opportunities.
- A proven record of accomplishment of excellent service delivery to clients.
- Excellent writing and verbal communication.
- Adept at using technology to facilitate meetings and events.
- Experience with HUD’s CPD programs.
- Familiarity with HUD systems such as IDIS and DRGR.
- Experience designing, implementing, and evaluating housing and community development programs with federal, state, local, and private sector entities.
- Experience conducting needs assessments, in-person trainings, webinars.
- Experience with monitoring and compliance on federal grants.
- Experience delivering onsite and remote TA assistance and managing HUD TA teams.
- Bilingual, written, and verbal communication in Spanish a plus.

**Salary**

LISC offers a competitive salary and excellent benefits.
