LISC Digital Accelerator Program

- Our Vision** • Economic justice and closing the racial wealth gap through entrepreneurship
- Our Focus** • Black, Latinx, Indigenous, and people and communities of color
- Our Mission** • Support start-ups and growing small business' digital capacity by providing access to consulting, coaching, collaboration, capital and resources.
- Our Unique Benefits**
 - We use a proven methodology and experienced consultants to deliver customized results.
 - We provide a dedicated and focused consulting team to work with you to craft an actionable implementation plan to grow your business.
 - Participation in the LISC Digital Accelerator is free for eligible businesses
 - Financial investment seeking NO equity in your business.
 - Provide a GRANT to accelerate the action plan.

"I have tried many business accelerators but this one was different. My consulting team helped me create an implementation plan that's easy to execute. The program transformed my business, and I am looking into opening my first physical location!." – *Teresa Maynard, Owner*

"The workshops that I took helped me a lot. In fact, they helped me with the strategy to expand my daycare. Additionally you guys helped me a lot with my communications. I feel very grateful to my mentor, team and the program." - *Jenny Vicente, Business Owner*
