

The graphic consists of two stacked orange rectangular boxes. The top box is a thin horizontal bar. The bottom box is larger and contains the text "Peer Learning" in white. The bottom edge of the larger box is shaped like a downward-pointing arrowhead. The background features a pattern of thin, light gray concentric circles and dashed lines.

Peer Learning

What are peer learning groups?

- **Groups of 2+ grantees and Resource Team members who meet or communicate regularly about shared interests**
- **Many forms**
 - Pairs with frequent informal communication
 - Larger groups with periodic scheduled meetings or calls
- **Oriented around common interests (rural work, public art, etc.)**

Why peer learning?

- **Develop relationships with colleagues doing similar work**
- **Share insights and best practices across projects**
- **Act as a sounding board for ideas and questions**
- **Collectively brainstorm solutions to problems**
- **Gain a team of external advisors for your work!**

How we can support

- **We're happy to support your peer learning connections!**
- **The LISC team can offer:**
 - Logistical support, meeting scheduling
 - Facilitation
 - Digital platform recommendations
 - Documentation and note-taking
- **Or, self-organize without our support**
 - Please let us know if you self-organize a group!
- **We are here to wayfind and help - you're not alone!**

Thank You!
