Are We Ready? A Forum on Climate-Ready Buildings and Community Resilience in Affordable Housing - Boston, MA 5/10/19
Enterprise: Who We Are

Create opportunity for low- and moderate-income people through fit, affordable housing in diverse, thriving communities.
“A Home to Come Home to”
Enterprise Multifamily Tools For Resilience
A Guide to Resilient Housing Design and Construction Summer 2019
Building a Resilient Boston-A Call To Action

1. Consider Climate When Planning and Retrofitting
2. Plan Mitigation with Community Participation and Share Best Practices
3. Innovate Technical Assistance strategies
4. Leverage funding like Community Reinvestment Act
5. Consider Intended and Unintended Practices
